ROAD ISSUES RATE SHEET

Fare Restored to Former Price.

FIVE STATIONS NAMED

As Round Trip Places on New Schedule.

President Underwood of the Erie Makes Short Stop in Marion Thursday.

The Columbus, Delaware and Marion Interurban road has issued a new rate sheet, in which the fare from North Broadway and Clintonville to Columbus is restored to five cents each way. The people of that vicinity went after the company rough shod when the recent increase was announced. Nothing is said in the new rate sheet about the fare to Worthington and beyond, which is still high. On the old rate sheet, at the time of the increase, both the one fares and the round trips were noted. Under the new schedule only the stations at Worthington, Delaware, Radnor, Prospect and Marion are quoted as round trip stations.

Dr. D. G. Saner, who has a country home at Flint and an office at 206 East State street, Columbus, yesterday filed with the county commissioners a remonstrance against the action of the company in charging 10 cents for a ride between Flint and Worthington.

The commissioners referred the remonstrance to Prosecuting Attorney Karl T. Webber.—State Journal.

The private car of President Underwood, of the Erie, stopped here this morning on train No. 12, bound from Chicago to New York City. The president and several other officials were on board.

J. W. Smith, bridge foreman of the Pennsylvania Railway company, has gone to Canada on a vacation of two weeks. His place is being filled by W. J. Foster.

M. A. Kinney, master mechanic of the Hocking Valley, was here on business today.

The wedding was a very quiet affair and the ceremony being performed by Rev. J. J. Halliday, pastor of the Prospect M. E. church.

The wedding came as a complete surprise to the many friends of Mr. Russell. The bride is the sister of Mr. Russell's first wife, who died about three years ago. Mrs. Lewis has one child. The bride and groom will make their future home in Prospect.

Court Happenings

In the case of Vasco D. Smart against Clifford Fling, in the common pleas court, Harry L. Blackburn Thursday filed an answer and cross petition. The answering defendant states that on September 27, 1907, he secured a judgment of \$42.50 with costs amounting to \$7.60 in the court of Justice H. C. Thompson. The judgment was secured on a promissory note given January 6, 1907. The answer alleges that Clifford Fling purchased and paid for a lot from Boston (I. and Anna Young, paying \$1200 for the same. He charges that the lot was placed in his wife's name for fraudulent purposes.

The answering defendant asks the court to order the payment of the judgment together with the interest. Blackburn is represented by Attorney L. E. Myers.

ATHLETIC ASSOCIATION

Organized by the High School.

OFFICERS ARE ELECTED

Principal Winans Interested in New Movement.

Association to Have Full Charge of all Athletic Sports Given by School.

The Marion High School Athletic association, after being out of existence for several years, was re-organized at a meeting of the students held in the auditorium Wednesday afternoon. The association starts out with a membership of 22 but the students expects that practically every boy in the school will be enlisted before many weeks. There is also a possibility that the constitution to be adopted will make the girls eligible to membership, and in that case the membership would be vastly increased.

The association is to have full charge of all athletic sports given by the school. Mr. Winans, the new principal, takes an active interest in sports of all kinds and will practically be in charge of the association. He will accompany the different teams on all of their trips and see that matters are conducted properly.

At the meeting, Wednesday afternoon, Ben Grills was elected president, George Foyet vice president; Russell Alline, secretary and Mr. Winans, treasurer. A committee composed of Ben Grills, Russell Alline, Rodney Hume, Ben Ross, Fred Scott and Lumpy Mouser was appointed to revise the constitution and by laws, a copy of which was submitted at this meeting.

An effort was made to organize a successful athletic association in the school a number of years ago but no member of the faculty would take an interest in the work and as a consequence the organization was not properly regulated. After a few disastrous terms, Superintendent Frank called the boys together and informed them that their association was no more.

Since the disorganization of the association the boys have played the different games but have had no official recognition from the school. This year Mr. Winans decided that it would be better to have an association and he agreed to assume charge of the work.

In order to be eligible to any team, a student must have passing grades in at least three studies. Every member of the association will be required to pay a fee of 50 cents a year.

CAUGHT IN SHAFTING

His Clothes Torn From Body.

VERY NARROW ESCAPE

From Death Had Charles Pfeiffer Thursday.

Accident Takes Place at Plant of Marion Foundry and Machine Company.

Caught in a rapidly revolving shafting and having practically every stitch of clothing torn from his body in a twinkling was the experience Thursday morning of Charles Pfeiffer, aged 25 years, of George street. The accident happened at the plant of the Marion Foundry and Machine company on Barnhart street, where Pfeiffer is employed as molder.

Pfeiffer was trying to take a belt from a machine when the accident happened. His sleeve caught in the shafting and for a moment he was being thrown and jerked about with a violence that seemed certain death.

Other men in the shop stood dumfounded as they saw Pfeiffer being apparently mangled to death. Finally, when he found himself liberated from the machine, he was practically nude, his clothing having been torn into shreds.

Pfeiffer was only slightly injured but will be unable to work for some time. He was taken to his home and Dr. Robert Ramroth attended his injuries.

MONEYS MUST BE PAID BACK

Continued from Page Five.

The money," is the statement issued today by Prosecuting Attorney John H. Clark.

The prosecutor was given a copy of the report Wednesday afternoon and has not yet had time to examine it in detail. As it contains over three hundred typewritten pages, this will require some time, but the prosecutor has already commenced work and will bring civil action against all of those who, it is claimed, owe the county money.

Mr. Clark states that he believed the only fair way to act to all of those, charged with drawing illegal fees, is to bring suit to recover the money at once. There are a great many different opinions concerning the meaning of many statutes governing the fee system and the various suits should settle those questions for all time. Mr. Clark states that without any doubt the examiners have construed the law incorrectly in many cases and money that it is claimed is due the county, was legally taken by the officers.

If it is proved in the courts that the fees were lawfully collected then the actions at law will vindicate the office holders or the former office holders, as the case may be. But, if the court holds that the money was taken illegally, as is claimed by the examiners, then the prosecutor deems that it is no more than right that it should be returned and an injustice has been done no one.

It is expected that many of the minor charges will be paid rather than contested but the larger ones will be fought through the various courts to the highest court in the state, if necessary.

The Lathue street fair which had been in progress in that village for the past two days, closed Wednesday evening with special performances in the side shows. The attendance of the fair throughout was quite large and greatly livened up the town during its short duration. Visitors were in attendance from all over the county.

Rheumatism Cured in 24 Hours

T. J. Blackmore, of Haller & Blackmore, Pittsburg, Pa., says: "A short time since I procured a bottle of Dr. Detchon's Relief for Rheumatism. It got me out of the house in 24 hours. I took to my bed with rheumatism nine months ago and Dr. Detchon's Relief for Rheumatism is the only medicine that did me any good. I had five of the best physicians in the city, but I received very little relief from them. I know Dr. Detchon's Relief for Rheumatism to be what it is represented and take pleasure in recommending it to other poor sufferers."
